

*'Au dessus du Bie'*

*Sech' Ry*

*The Real Ardennes*

## House visit

Best,

By default, the building can be viewed any **Friday between 2 pm and 4 pm** after reservation from the visitor via email or phone call.

The house must be free by 4 pm for the next group arrival.

The building cannot be visited on other days or times, as it is almost always rented out and the enjoyment of the customer cannot be disturbed.

Even if the house is listed as 'unoccupied' on our web-site, for the Last Minute bookings it's possible to make the house visit appointment one day before.

That is why we include standard home visits between the departure and the arrival of a group almost every Friday.

You can find hundreds of photos on our web-site to have a clear view on what the house has to offer ... and everyone says that's it looks better in a real life.

The floor plans with a clear view of the room's layout are also available on the web-site.

Obviously we would like to welcome you for a visit on any Friday between 2 pm and 4 pm.
